The Class of 1946

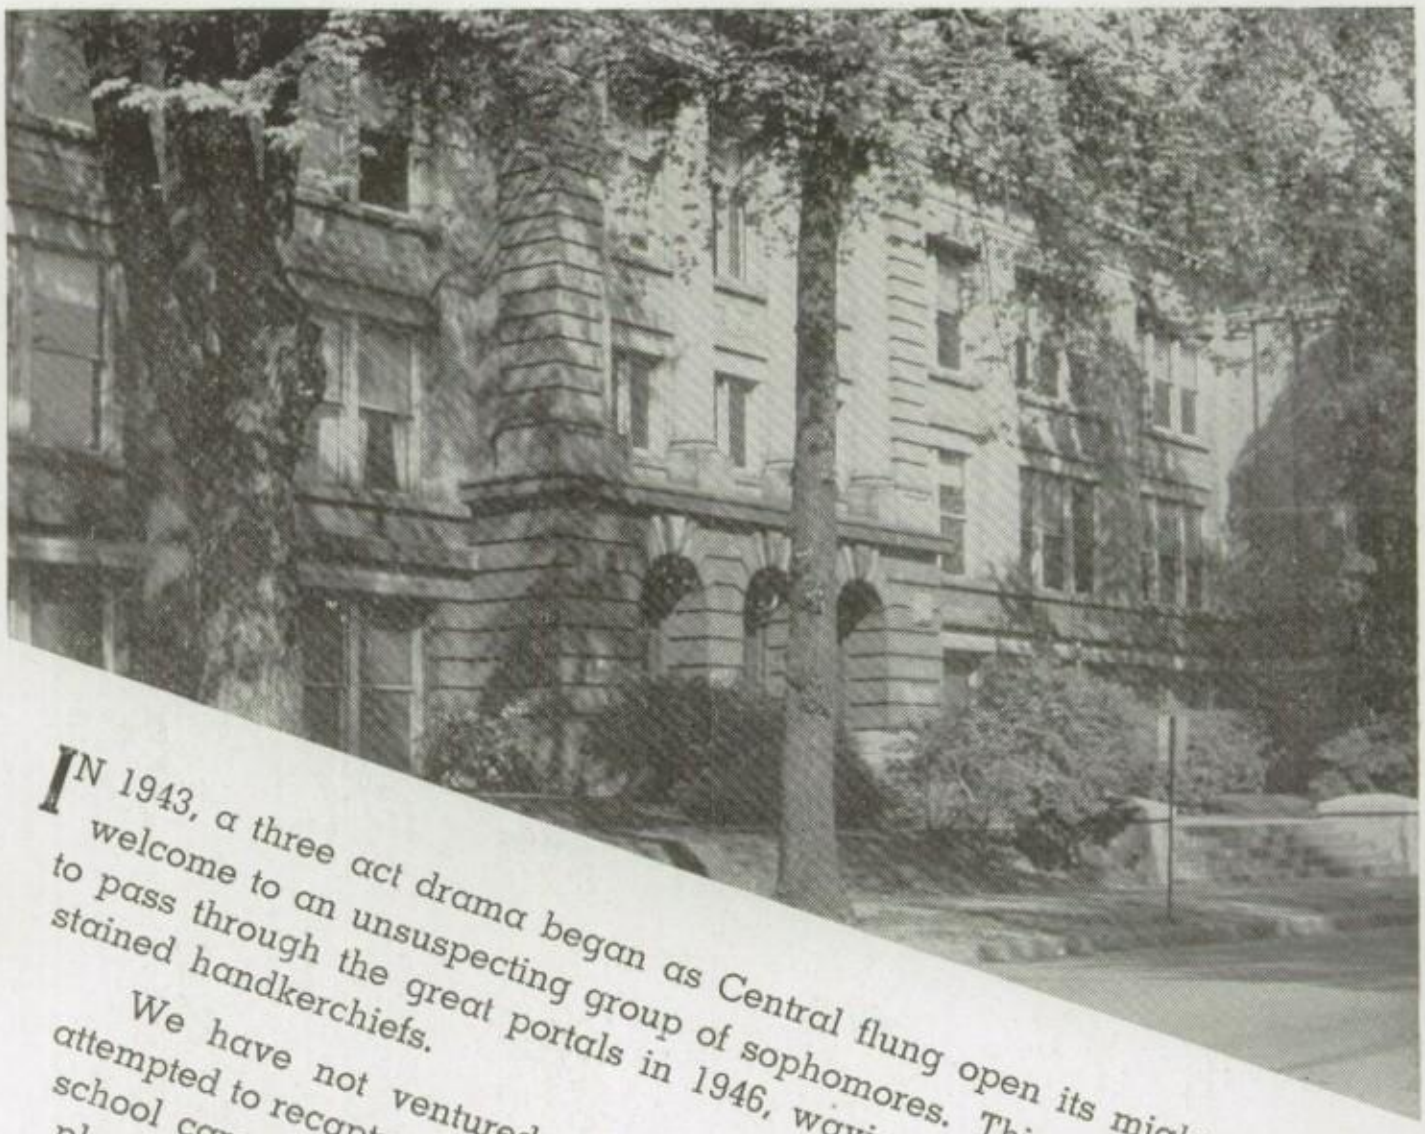
presents

The PAEAN

Battle Creek High School

Battle Creek, Michigan

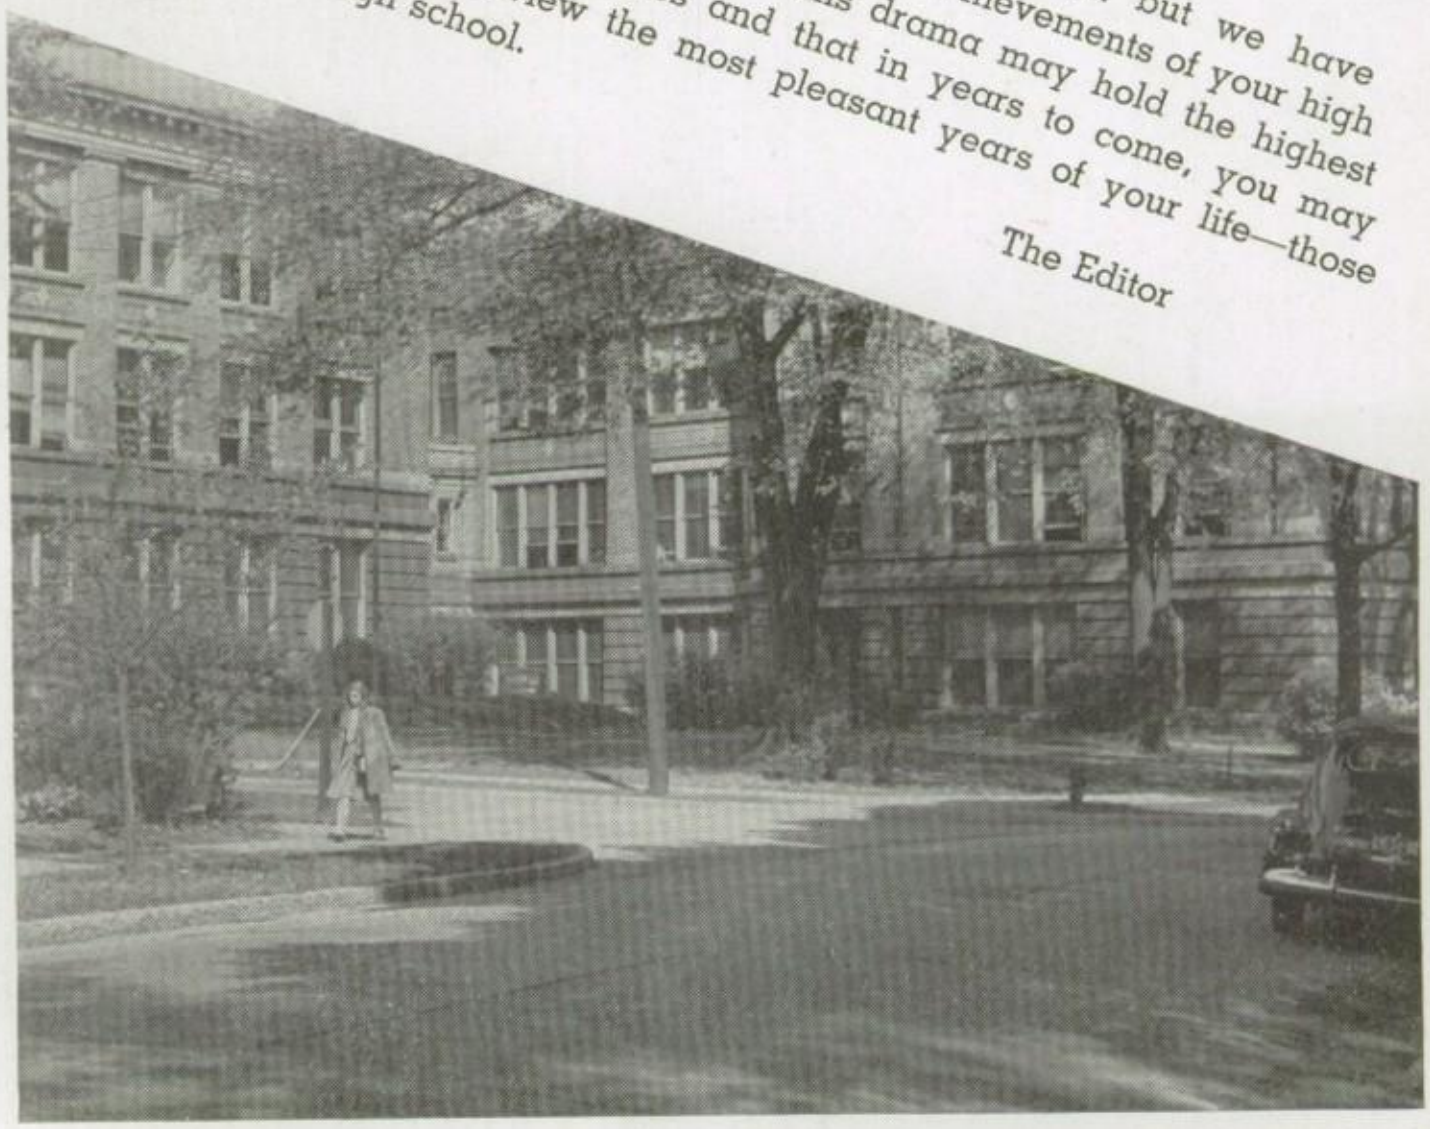
FOREWORD



IN 1943, a three act drama began as Central flung open its mighty doors of welcome to an unsuspecting group of sophomores. This class was destined to pass through the great portals in 1946, waving a fond farewell with tear-stained handkerchiefs.

We have not ventured to explain your play in detail, but we have attempted to recapture for you some of the joys and achievements of your high school career. It is our sincere desire that this drama may hold the highest place in your bookcase of memories and that in years to come, you may return to its pages, and review the most pleasant years of your life—those spent at Central high school.

The Editor



DEDICATION

IT is with the greatest esteem and affection that we dedicate this 1946 PAEAN to Mr. Edgar L. Harden, our beloved principal. Although we have only been associated with him during our last year at Central, he has endeared himself in the hearts of all of us. We will always remember him as a true friend and an able leader.

VETS WE SALUTE YOU

"Rambling 'Round"

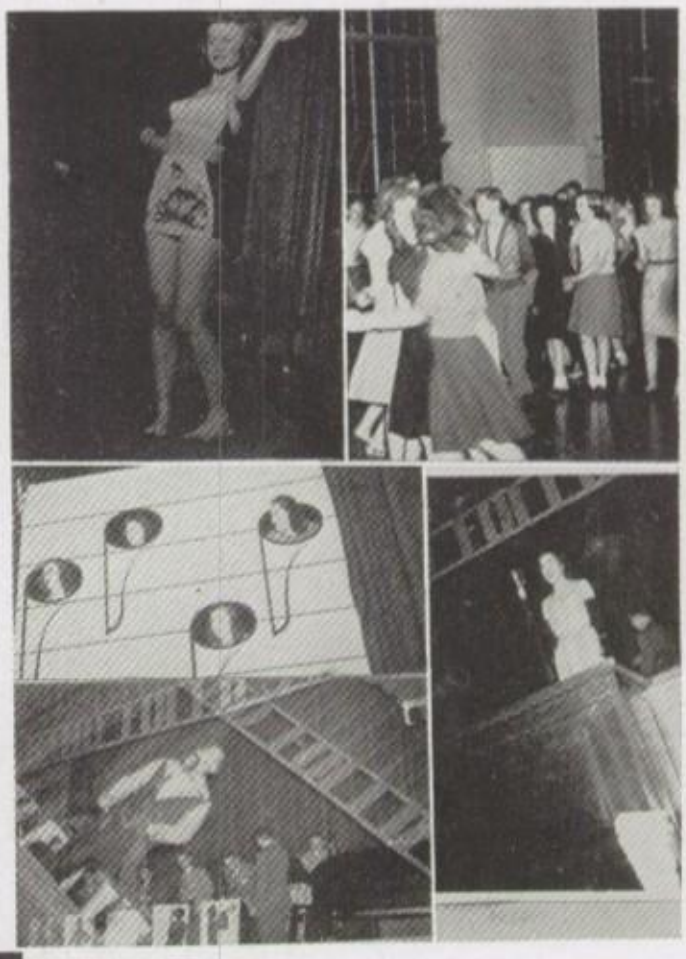
FROM sophomore to senior, we've passed 'long the way,
With homework and dances, a little work and play.
And now with school days ended and our days at Central through,
We really are quite sorry that we are leaving you.
Coming first a stranger with all things quaint and new,
Before long we were cheering for the yellow and the blue.
Our first two years at Central, we did things pretty rare,
But when you are a senior, those years just don't compare.
This last term at high school, there is so much to do,
The football games, the club meetings—a bit of homework too.

Our accomplishments are really grand, as anyone can tell,
Just listen folks and see if you don't think that they are swell.

The rejuvenated social room
tops this long, long tale,
With newly painted walls
which are so blue and pale.

And the cosy chairs and davenports certainly are supreme,
It's everyone's opinion that the room is on the beam.
Before the finished product a lot of work was done,
But even that tiresome scrubbing turned into lots of fun.
A brand new cafeteria was another goal we reached,
Under Mrs. Allwardt's guidance which is good to say the least.
For tasty meals and service prompt, our hearty thanks are due,
To good co-operation and an efficient crew.

For dancing and recreation on week-ends and Wednesday nights,
There's the Ki-Y and the Youth Building to offer their delights.
It's in these jolly places many true friendships are made,
And the memory about them will never, never fade.
Then came the Band Follies two night stand,
With songs, skits, dancing, and a super band;
Both evenings the place was filled every seat,
Which actually meant the show couldn't be beat.
This year the D. of L. presented something new,
The latest in fashions, in spring duds of every hue.



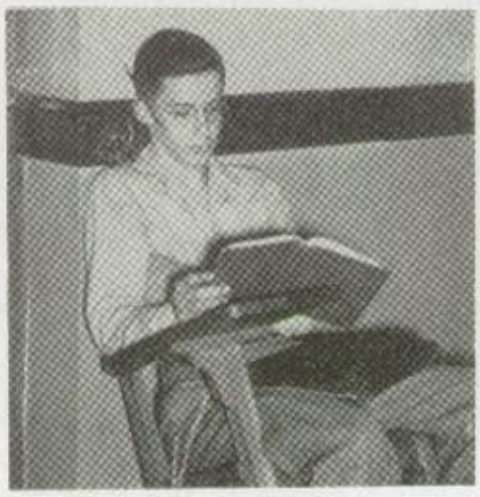
The girls and their folks attended the show—
To view how to dress from the head to the toe.

"The Charm School," the play in which many appear,
Was given by the seniors in the spring of the year.

Here is the Paean Board to take a low bow,
For all their long efforts terminated just now.
During this last semester they've given their time,
With pictures and write-ups and even this rhyme!!
On alternate Wednesday's came the glad shout
From eager readers, "The 'Key's' out, the 'Key's' out."
To make the news interesting was the staff's earnest aim,
And through their fine efforts the "Key" gained nation-wide fame.

Strutting with pride, their skirts gaily whirling,
The majorettes charmed the whole crowd by their twirling.
Ahead of the band which gives us a thrill,
Marched these three—Pat, Eev, and Phyl.
The Student Council composed of the student's own choice,
Gives everybody in school affairs, an equal voice.
Under the leadership of Dawnie and Bill,
The bad points of school were reduced to nil.
One notable project was "Vocational Day",
Which led us to think of our future way.

The Council also started the Hall Cadet scheme,
That made an improvement which clicked like a dream.



It was colorful, exciting and made us feel gay,
We shouted and squirmed,
"Make the basket, Ray."

We won them at home, we won them away.
We won the Basketball Crown from all the Five A.
In other sports too, we really did swell.
Tennis, track, swimming, and baseball as well.
The coaches worked hard through stress and through strain,
Their goal was to help B. C. the trophies to gain.
And now as you pass through the B. corridor,
Just take notice of our honors and trophies galore.

Who of us can forget those pleasant study hours
When we were guided to the books, by genial Mrs. Powers.
We loved each moment in the library, from getting our pink slips,
To the time when gaily out the door we would slowly trip.
And we musn't forget that evil that really makes up school,
Of course we mean the class-room, sitting on our stools.
These patient high-school teachers we'll always keep in mind.
And they are the grandest teachers that one could ever find.
Perched on his lofty pedestal is Mr. Carlson,
At first we shook right in our boots, then we found him fun.

You say you smell some odors
that surely are so bad?
Just blame it on the chem. lab,
my cheerful little lad.

Another favorite friend of ours,
who takes our each excuse,
And offers us that yellow slip
which we must put to use.

Who else is that but Mr. Powers, a very busy gent,
Yet he always has a friendly smile for every student.
And now as we are leaving and our Central days are o'er,
We have much to remember as we walk out the door.
There's the dances and the study halls we went to every day,
The homerooms and the homework, the work and then the play.
The teachers and Mr. Harden pass before us in review,
And last of all our colors, the glorious yellow and the blue.

OUR class of 1946, venturing into a world at peace, is anticipating a great and eventful future made possible only by the sacrifices of our boys who fought or gave their lives to preserve the democratic ideals that we hold so dear. It is our duty to see to it that their accomplishments are maintained and that our achievements in the future will perpetuate their ideals.

The path to success is long, and the stepping stones many times insecure. However, a peaceful world offers equal opportunity for all. The man who follows the straight road slowly and carefully will be the one who acquires recognition.

The understanding and helpful guidance given to us by the faculty will enable us to successfully pursue our careers and accept the responsibilities that lie before us.

THE National Honor Society was organized by the National Association of Secondary Principals through a charter granted them in 1925. The first class to have members recognized by the Society was the graduating class of 1926.

This organization recognizes scholarship in high school as Phi Beta Kappa in college. The upper 15% of the class is automatically mentioned as receiving the honor which is entirely based on the individual students' scholastic record.

This is the roster of the Class of 1946 as released on April 25, 1946.

FIRST ROW: B. Ashley, D. Wilber, S. Ashley, A. Durham, B. Allison, B. Walker, P. Houman, C. Forsythe, E. Iliff.

SECOND ROW: B. Webster, M. Tucker, H. Lonneke, N. Collie, K. Hobbs, J. Dawson, B. Dodge, J. Weber, M. Conlin.

"Suddenly It's Spring"

AN April flower garden in the rain was the setting for the Senior Prom given Saturday evening, March 30, by the members of the senior class in the social room. It was "nice weather for ducks" and the decorating committee had created a large duck with metallic raindrops glistening on his back for the stage.

A white picket fence covered with clusters of pastel-colored flowers lined the entrance to the room and another flower-covered fence formed the chaperones corner. Large figures of boys and girls in bright raincoats were on the walls and crepe paper flowers in pastel shades were on the windows.

Approximately 150 couples danced from nine until twelve o'clock to the music of Fran Wine-gar's orchestra from Chicago.

FIRST ROW: J. Weber, B. DeNooyer, J. Sherratt, K. Hobbs, W. Hulscher, B. Hunt, G. Dyke, Miss Marsh.

SECOND ROW: N. Collie, F. Doty, E. Bauer, J. Bennett, J. Hanes, F. Robinson, L. Baxter.

"Mixing Pleasure with Business"

"THE Charm School", a three-act comedy presented by the seniors on April 26, proved to be both interesting and amusing to the large audience which attended the occasion.

The play was centered around an automobile salesman with ideas, and his young friends who all boarded in a rooming house in New York. Austin, the automobile salesman, inherited a young ladies' boarding school from an aunt and decided to take over the school.

A riot was created at the girls' school when they learned that Austin was going to be their new head, and that his friends were going to be their teachers. All the girls fell in love with Austin, especially a certain one with whom Austin eventually fell in love and, in doing so, lost the school when his charm proved to be great.

However, the play ended happily for both Austin and the girl, and very satisfactorily for the audience. It was widely agreed the surprise ending of the play proved to be the best part of it all.

PERSONALITIES

Bill McCampbell: A peppy organizer and a prodigy on the organ . . . that's Bill.

Juniors

JUNIOR CLASS OFFICERS

FIRST ROW: Louise Williams, John Oesch.
SECOND ROW: Garland Fox, Joe Sajtar.

WE, the executive branch of the junior class, are very appreciative of the turn of events during the past year. Under the leadership of our counselors, Mr. Chapman and Miss Fesing, and with the cooperation of the juniors, all our projects have been successful.

Among our outstanding accomplishments were the annual J-Hop, the junior play which uncovered heretofore hidden talent, and also the Junior-Senior Reception given in honor of our upperclassmen.

With great anticipation, we are now ready to assume the duties and dignity of the senior class.

Joseph Sajtar

FIRST ROW: M. Evans, J. Hirakas, J. Sherburne, J. Oesch.
SECOND ROW: J. Kuehnle, B. Dygart, M. Montgomery, P. Anderson.
THIRD ROW: P. Doud, J. Adrianson, D. Matherly, W. Dempsey.

"Cuckoo Is Right!"

THE plot of the hilarious comedy "Cockoo's Nest" presented by the junior class centered around a confirmed "fibber". A zany story combined with an able cast of twelve promising students made a sure hit. Those included in the cast were Jean Dean, a girl with ideas, played by Mary Lou Evans; Polly Tally, a girl without ideas, played by Marilyn Montgomery; Virginia Wieder, a romantic young lady, characterized by Athie Hirakis; Harriet Wieder, Virginia's aunt, played by Joan Kuehnle; Elizabeth, a maid of all work, Josephine Sherburne; Daisy, a girl friend, played by Beverly Dygert; and her sister, Pansy, portrayed by Pat Anderson. The men in the cast include Pete Doud, who will portray Benito, the iceman; David Matherly, who will be Signior Guiseppe, an Italian opera singer; Jerry Adrianson will characterize Jerry Rowan, who proves to be an unwilling guest; Bill Dempsey, who will be an officer of the law with a nose for crime; and lastly, John Oesch, who will enact the character of Verne Douglas, Virginia's cousin.

The plot unfolds the story of Virginia Wieder, who is such a confirmed fibber, that her friends, Polly and Jean are thoroughly disgusted and set out to get even. In their escapades they wear out one perfectly good opera singer, two phony "opera singers," an officer of the law who winds up going to have his head examined, and even Virginia, herself. The high note of hilarity arrives, however, when Aunt Harriet finds an alarm clock and leads everyone to believe that it is a time bomb. It's really a free-for-all in comedy before Polly and Jean decide they have had enough and even Virginia vows she will never tell another lie.

FIRST ROW: S. Flanders, M. Evans, D. Rosine, N. Walsworth, B. Wertz, A. Horsburg, P. Anderson, L. Williams, B. Troutfetter, S. Yates.

SECOND ROW: V. VanWagner, B. Link, D. DeMaso, J. Holloway, D. Wilkins, J. Hook, P. Wood, V. Pratt, M. Wiederhold, M. Blowers.

THIRD ROW: J. Childs, J. Oesch, B. Cowell, D. Stine, D. Matherly, B. Simmons, R. Loutit, B. Blatchford.

"Candy Land"

COUPLES danced in a "confectioner's heaven" at the annual J-Hop Saturday evening, March 29 in the social room. A banner reading "Candy Land," strung between two striped candy sticks, greeted the guests at the entrance. Clusters of lollipops decorated the windows. A giant sundae, dripping with various syrups, stood against the backdrop on the stage which was flanked by a limeade and a strawberry soda, and in the chaperones corner stood a gingerbread couple.

There was dancing from nine until twelve o'clock to the music of Rudy Vogelreuter's orchestra from Marshall. Approximately 150 couples were present.

Don Stine: Class character . . . heap big injun on the football squad . . . everyone knows Don.

Shirley Oster: Sedate and serious, but still has her fun . . . editorial writer par excellence . . . bright

Pat Barton: Our junior majorette . . . pep and personality plus . . . brown eyes that really sparkle.

Bill Davis: From way down Texas way, where he roped those cattle . . . a drawl, but def . . . Band boy.

Bob Darkey: Managed our champion basketball team . . . sincere, small, but oh, my!

Helen Earl: Neat, petite, and just "all reet" . . . a marvelous friend . . . very musically talented.

Owen Anderson: Known as "Whitey" . . . tall . . . a grand basketballer . . . a "must" for football.

Hubert Vandenburg: THAT basketball game makes us remember him . . . short and speedy . . . wait till **next** year.

Josephine Hook: Efficient . . . a swell Council secretary . . . Has hopes of being an artist.

Jackie Crippen: Clever, conscientious, and just plain cute . . . very versatile . . . darling in dramatics.

Jim Feeney: A likeable character . . . watch him in basketball . . . and a shy little smile.

Joe Sajtar: Junior class president . . . dark and darling . . . headed for **big** things.

Mary Lou Evans: A pert little singer with an oh-so-nice voice . . . gets around . . . fun in every crowd.

Hal Smith: "Happy Halfred" we call him . . . a super sport in every line . . . water boy (swimming, you know).

George Markham: Football captain of the future . . . blond and broad . . . that's our Sonny boy.

Bill Dempsey: Man alive, what a nut! . . . quick on the trigger . . . right on the beam.

Sophomores

SOPHOMORE CLASS OFFICERS

FIRST ROW: Kermit Darkey, Marilou Leveiller.
SECOND ROW: Richard Bristol, George Weakley.

WITH the inauguration of the new counselor system at the beginning of the second semester and with the assistance of our two untiring advisers, Miss Helen Houvener and Miss Frances McCowen, we, the sophomore class of 1946, accomplished a great deal. Our most significant activity was the sponsoring of the traditional Spring Swing held May 4.

Now, as incoming juniors, we have the basic foundation of high school and must attempt to exceed the goals of our predecessors and set an example for our successors.

Kermit Darkey

PERSONALITIES

Donald DeNooyer: Always seen with a car . . . a darling dresser . . . has that famous "DeNooyer" personality.

Joan Borgerson: Takes life with a smile . . . blonde and beaming . . . brains and beauty combined.

Daisy McCleary: Nice girl to know . . . charming, cute a steady gal.

Dick Bristol: Up and coming little soph . . . freckled face . . . knows his way around.

The Gilbert Twins: Two of a kind . . . that's Ed and Elmer . . . which is which? Well, you decide.

Carol Clark: Shining eyes, great big smile . . . conscientious Council member . . . Carol's connected with the cafeteria.

CLASS PROPHECY

GAZING before us, into the crystal ball which holds the past, present, and future, we shall attempt to tell you of the paths that lie before the seniors of the great class of 1946. Come with us now as we take you into the vast unknown of the future. If you will remain absolutely silent and join us in concentration, wiping your mind free of all conflicting impressions, here is the information you desire.

The mist is clearing. A village scene appears. We see a man driving his little rattle-trap car into town. A closer look reveals that it is Ed Bauer, a successful farmer. Riding with him, we arrive at the small town general store, which is run by Bill Haynes.

The scene changes. It is a large city. We are in the business district, looking at a large factory. It has a huge electric sign reading "Hulscher's Best Soaps". Thousands of men are leaving and last of all is the owner. He has grown portly, but is immaculate as a soap manufacturer should be. His motto, carved above his office door is "I keep the world clean."

Following the crowd, we arrive at the local "club" where the ever popular Keith McPherson is making a guest appearance with his name band. His old school mate Ed Morris is beating out a hot number on the drums. Over in a corner sit Jean Irving and Clara Erridge, both happily married now.

And now the scene shifts and we are in Carnegie Hall for a benefit performance. All the seats are filled with glittering gowns and the best in the social world. Norma Collie arrives, surrounded by a bevy of admiring males. Then there is Gerald Dyke and Kline Hobbs, the current matinee idols who are escorting Marcia Tucker, the renowned journalist and Barbara Hunt, who has made a name for herself in radio.

Barbara DeNooyer, the novelist, is there with her old friends, who include Peg Iliff, presidential nominee, Shirley Smith, editor of the "New York Times," Barb Walker, and Betty Webster, the domestic pair, and Frances Doty, just back from her post as ambassador to France.

The world-famous illustrating team, Doris Binegar and Frances Myers, are talking in one corner, while, just across the aisle, is Alice Durham, the famous psychologist, Bev Sovern, her special nurse assistant, and Janet Dawson, famed medical researcher.

As the lights dim, many stars of stage and concert hall are appearing. Many were friends in high school. First on the program is Virginia Bristol, of the Metropolitan Opera. From this same company there is Lucy Smyth, Marion Lemon, Nancy Fraser, Alfleda Austin, and Florence Manby. On the popular side there's Mary Conlin, who's peppy renditions still rate.

Now mists blow out this scene and a new vista appears. It is a tiny log cabin set among the tall pines. Inside is a pretty blonde girl, none other than Frances Robinson. Just entering the door is a sturdy forest ranger—her husband, Jay Shull. With him is his fellow forester, Bruce Brevitz.

How Strange!! Now we see a room in great disorder and a man down on all fours looking at the rug with a magnifying glass. Who else, but Bob Deiro, the master-mind detcetive. The radio is on and Jackie Weber is giving the housewives helpful hints on her daily broadcasts.

The scene changes once more and a giant baseball stadium comes into view. The great slugger, Gary Waldron, is at bat, and our old friend Jack Van Dongen running on third base, ready with the winning run. Up in the press-box is Russell Smith, still running the sports page, only now for a metropolitan daily. Does Gary hit the ball? Too late, the mist has clouded the scene.

Now we bounce into a huge lab where earnest scientists are busy at their research. Here we find George Raszus conducting experiments on cancer and John Norman, busy with a secret project. Bradley Roof is bending over a microscope, searching for plutonirium, the wonder drug.

The scene is now shifting to an employment agency. Glancing over the cards of secretaries whom the agency has placed, there's Alice Shirlaw, Marilyn Arnold, Jean Bennett, besides many others. The general manager is now coming around the corner and who could it be but Bill McCampbell young business executive.

The crystal ball now buzzes us out to the city airport, where zoom——zoom——Helen Lonneke and Allen Lawson are beating around in their rocket ships. On the ground the mechanics are breathlessly waiting. Yes, it's Carleton Fisher and Richard Gibson.

And now we are going to a beautiful place, but wait—the crystal ball has darkened—. It will show no more, but the words "The Best Class of them all—1946" gleam brightly through, bearing the notation that a marvelous future lies ahead for all of this great class.

FOOTBALL QUEEN AND COURT

BRUNETTE Phyllis Houman, who displayed her talents as a majorette this year with the band, reigned as the 1946 Homecoming Queen, breaking at last the blonde-and-redhead fixation of previous years. She was crowned at a coronation assembly by last year's choice, Gloria Coone, and presided over the Muskegon Heights game November 9. The bevy of beauties included on the queen's court this year were Frances Robinson, who also gained a place on the 1945 court, Dawn Elliott, Julia Mazuk, and Patricia Barton, the only junior.

FOURTH ROW: E. Graves, L. Davis, N. Drew, G. Moser, O. Anderson, D. Stout, B. Reitz, B. Jeffrey.

"Government by the Student Body"

THE Student Council proved very active and efficient this year. Foremost of its projects was that of revising the High School auditorium into a Social Room. Last year's Student Council did a great deal to promote this project, but the furniture, drapes, and paint were added by this year's council.

The council was given the honor this year of being host to the first semester 5-A Conference. A carefully planned program made the conference a great success. Some students also visited Lansing Eastern in relation to their Hall Guard system. As a result, a Hall Cadet system was tried here.

The Student Council has been successful in various other projects that have made great improvements in the school. With the alertness of every council member and the friendly understanding of the Student Council adviser, we can well understand why the council proved so necessary in the maintaining of a better school. We feel that a great portion of the Council's success was due to the cooperative backing of the principal, Mr. Edgar Harden.

"Women, Incorporated"

UNLIKE other organizations specifying certain definite requirements, the Daughters of Liberty take all girls in high school under their wing. Their high ideals were maintained during the past year by the success of its various projects.

This year as never before the board, elected by all the girls, strove toward having more girls participate in activities in order to make every girl feel a part of D. of L. In carrying out the new program, a representative was elected in each homeroom. The group of representatives was in turn divided into social, school service, ways and means, program, and project committees which performed the necessary whirlpool of duties in making all the functions successful.

Later in the year, each grade of girls was organized into what was called a grade group. Each group elected officers, and met twice a month either for

"Scoop"

THE Central "Key", our up-and-coming scholastic publication, has achieved new praise and recognition during the past year. Not only has the "Key" served our school faithfully, but has received national acclaim as well. The "Key" staff is one of the most active groups in school and prides itself on the fact that the paper is now published every two weeks. Under the able direction of Miss Burke, the "Key" brings to all students news of general interest to all. Many articles and columns have been added to the paper from time to time but ever popular is "Through the Keyhole" by the talented editor-in-chief, Shirley Smith.

Needless to say, much concentration and work goes into the printed page of a "Key", but just as it is not all play, it isn't all work either. Key staffers will remember the moments they interviewed Alan Ladd, Rise Stevens, and "Dizzy" Smith. Talent and willingness to work make it a pleasant extra-curricular activity. Central students can well be proud of their school paper and its well-earned accomplishments. An able and talented staff combined with an energetic adviser put the "Key" way up in front in achievement.

"All the World's a Stage—"

THE Players' Club, the oldest continuous club of Central, was organized for all of those with an interest in dramatic activity. This year's program proved an extensive and successful one. Having elected a president the preceeding year, the club was able to swing right into action in the new school year. Most important in parliamentary activity was the adoption of a constitution which provided for an executive board to take care of the business.

A series of short plays have been given throughout the year for school assemblies, Band Follies, and for the English classes. One outsanding production was the Hollywood Premier party given in the Social Room at which each of the members came dressed as a famous celebrity. "Oscars" were given for the best impersonations, and pictures of the party were published in the Enquirer and News.

The significance of the Players' Club was more widely publicized when each member donned a sterling silver club pin of the masks of comedy and tragedy. This pin is to be a standardized pin for the club and will be used in future years.

"Nosotros Hablamos Espanol"

THE Spanish Club was organized for the purpose of conversing in Spanish at all meetings and activities and to study and practice customs of Spanish-speaking countries.

At the meetings the minutes are read in Spanish by the secretary, and all business is carried on in Spanish. The club has had numerous parties throughout the year at which Spanish games such as Spanish Bingo were played. An all-school dance was sponsored by the club in the late fall, but the big project of the year was the Pan American Day Assembly put on by the Spanish and French classes under the direction of Dr. Bey.

"Globe Trotters"

THE Pan American Club was originally organized to strengthen our good-neighbor policy, by creating personal friendships with our Latin-American neighbors. As the scope of influence of the United States grew, so expanded the range of interest in the Pan American Club, their members were

"Wrong Seat, Madame"

THE Usher Club earned a reputation of being one of the most active organizations at Central. During the season its 85 members served the school and community at the Band Follies, junior and senior plays, World-at-our-Door lectures, Wildlife movies, and numerous other affairs.

Something new and different was tried, and it proved to be a success. In the early spring, a Sock-Hop was held in the Social Room for members and their guests. Among the other social events of the year was the annual

"Parlez-Vous Francais?"

THE French Club was organized to promote interests in French activities. During this year, several parties were given. The "parlez-vous" and "comment allez-vous" buzzed continually around the room.

The French Department's biggest success was the assembly which was planned in conjunction with the Spanish Department. In this program several songs and dances, typifying the French customs, were given. In the meetings many talks were presented on the culture of France, and a small literary circle was organized within the club for those who were especially interested in the cultural aspects of France. Most of the club members are corresponding with French people in France, North Africa, or Egypt, and are learning much of their customs and also gaining practical experience in the language.

DEBATE SQUAD

"In My Opinion"

WITH a squad composed entirely of sophomores, Battle Creek high school participated in the most extensive debate schedule in the school's history.

As a member of the Michigan Forensic League and the newly reorganized 5-A League, Central's debaters took part in twenty inter-scholastic debates and twenty practice meets. In addition, the squad presented debates before several local organizations, including the Vet's Forum and the Torch Club.

The Topic, "Resolved that every able-bodied male citizen of the United States should have one year of full-time military training before attaining the age of twenty-four" was a popular one.

Although the record of wins was small, we face the 1946 and 1947 season with a squad of nine veterans for every debater has participated in at least two interscholastic debates.

"Science Leads the World"

AT the first meetings of the newly organized Science Club, a constitution was adopted and the officers were elected. Because of the steady attendance of its 124 members and their growing interests in specific fields of science, the club soon developed into inner circles of radio, photography, biology, chemistry, and crime detection which met frequently aside from the monthly meeting of the entire club.

"Hobby Lobby"

THE Hobby Club, one of the new clubs in Central, had for its faculty adviser Miss Geneva Meers, who joined the English Department of the high school this year.

The club was composed of many enthusiastic hobbyists who met and told of their interests and helped each other to improve and increase their hobby. To show the various hobbies of its members, the club set up an interesting exhibit in the main hall which attracted the attention of many Centralites.

One of the meetings was highlighted by movies shown by Ernest Cowell, who enjoys photography and stamp collecting as his hobbies. Thanks to the diligence of its adviser, this club provided both fun and assistance to the young hobbyists of Central.

At each of the meetings, after a short business session, one of the members gave a book review—either current or classical literature —two of which were "Cimarron" by Edna Ferber and "Ramona" by Helen Maria Jackson.

At one special meeting, a short review of all the popular books of the season was given by Mrs. Donald Brown of Willard Library. The meetings were entertaining as well as interesting.

"They Settle World Problems"

THE Political Science Club found no trouble whatsoever in obtaining material for discussion because of the many important events and political problems during the past year. Members found the meetings educational, interesting and a pleasant way to learn more about current affairs.

The meetings, which were informal, were held each week on Friday under the guidance of Miss Cook. A topic chosen at the previous meeting was discussed. Occasionally reports were given.

One of the main objects of the Political Science Club was to enable students to carry on discussions concerning affairs that they would not have time to discuss during regular class periods. The club provided active members with a good time as well as broadening them educationally.

"Culture Is Our Business"

SOMETHING new was added to the list of high school organizations this year when the first Quill and Scroll installation ceremony, which admitted the eleven charter members into the local chapter, which has been named Centralian, was held in May. The aim of the organization, which is an international honorary society for high school journalists, is to encourage and reward individual achievement in journalism and allied fields. According to the international constitution, members of Quill and Scroll must be chosen from the students enrolled in high school who, at the time of their election, meet the following requirements. (1) They must be of at least junior standing. (2) They must be in the upper third of their class in general scholastic standing. (3) They must have done superior work in some phase of journalism or creative endeavor. (4) They must be recommended by the adviser or by the committee governing publications. (5) They must be approved by the executive secretary.

"They Serve the Public"

THE Junior Merchants Club is an organization of all students in the Cooperative Retailing Course. The students in this program work part time on a retail selling job and are in school part time.

The primary purpose of the club is social, although provision is made in the organization whereby meetings may be devoted to discussions of store and selling problems which confront the members in their actual job situations.

This club was just recently organized, so has little to report as yet regarding its plans for the future.

"Ouch, That Hurts"

HOME Nursing is a new class in the curriculum at Central. Taught this semester for the first time in the history of the school, it is the result of cooperation between the school, the Red Cross, and Community hospital. It is a Red Cross course in home nursing which was taught by Mrs. Katherine Pullen, a registered nurse who is certified by the Red Cross as a teacher. During the war she headed Red Cross nurse recruitment for the Army and Navy Nurse Corps for Michigan.

The school made a request for the course, which has been given the last few years in Jackson, Lansing, and Grand Rapids with notable success. For the last semester, the instructor's salary was paid by the Red Cross, the school furnished the classroom and some furniture, the Red Cross provided an instructor's desk and most of the nursing equipment, and Community Hospital loaned two hospital beds and bed spreads.

"Up, Up, and Away"

THE Civil Air Patrol Cadets spent a busy year, their summer and fall months having been filled with studies of aerodynamics and Civil Air Regulations.

There were two bivouacs, one at Niles, Michigan, Municipal Airport, and the second at Benton Harbor. The latter was a two-day affair and consisted of a continuous round of activity. There were outdoor meals, K. P., guard duty, reviews of squadron war planes, and stunt flying, followed by a hanger dance. Since the war, the C. A. P. C. has obtained a shipment of new equipment to aid in the instruction classes, therefore their program can be more fully carried out next year.

"Fun and Work Combined"

THE first event of the school year for the "Y" Luncheon was a sock-hop held to interest new members. Following this a formal dance, the "Halloween Hop" was sponsored in November. Later during the same month the Hi-Y and the "Y" Luncheon clubs sponsored a hay ride and a party afterwards at the Y. W. C. A.

During the first part of this year several girls attended the Girl Reserves Midwinter Conference in Jackson, and a pot-luck supper followed by a discussion took place in March.

Service projects for the year included making stuffed dolls for Greek children for Christmas wrapping gifts at the U. S. O., and collecting money in the local theaters during the March of Dimes drive.

"Excellence in Character Is Their Goal"

THE Hi-Y is a branch of the Young Men's Christian Association in high school sponsored by the Y. M. C. A. The purpose of the club is "to create, maintain, and extend throughout the school and community, high standards of Christian character." The platform is: "Clean speech, clean sports, clean scholarship, and clean living."

During the summer of 1945, the Y Men's Club sent three boys to Camp Hayo-Went-Ha which is the Hi-Y officers' training camp. Mid-semester, the Girl Reserves came as guests to a joint meeting at which the topics "Girl and Boy Relations," and "School Problems" were discussed.

Other projects of the year included a Hi-Y Model Legislature which was proposed two years ago but was not made effective until this year, and a Pre-Legislature meeting in Kalamazoo, after which the delegate who was sent prepared a bill on education. This bill was later proposed and passed at a state-wide meeting in Lansing.

"It's a Strike"

ON September 21, the five bowling teams were organized and competed on every Friday thereafter. Prizes were given to the winning teams and also to the winners of the doubles tournament.

The names of the teams were the Pessimists, the Gutterball Kings, the Four Eight Balls, and the Pick Ups. The names were not, however, characteristic of the team members. The Four Eight Balls currently lead the league, followed closely by the Pessimists and Gutterball Kings who tied for second place. The Bowling Club has this year developed into a well-functioning organization.

"Strike up the Band"

ANOTHER busy year has ended for the Battle Creek high school band. It put on fascinating and entertaining exhibitions at all the football games, played at the various pep assemblies, and gave a few band assemblies to help the student body become more acquainted with the band and its work during the year.

The annual Band Follies this year was the best in several years, and netted $1,500 toward new uniforms, which will be purchased if possible by next fall. The Band Follies was carried out in the novel theme of "Swing vs. Long Hair." Whether you preferred the jumping jive and rockin' boogie woogie or music served up sweet and low, Band Follies filled the bill. The audience was well entertained from the beginning to the end of the evening.

Much of the variety was due to the theme. To illustrate this last remark—the show opened with two clever numbers, one praising long hair and the other rooting for swing. Then, throughout the remainder of the program, entertaining numbers representing "Swing and Long Hair" were performed.

At the beginning of the second semester, the band moved to the third floor of W. K. Kellogg School to new quarters consisting of three soundproof practice rooms, one large rehearsal room, and director's office. The band really appreciated this new and delightful atmosphere which the band room affords.

In March, a special concert was given to raise money to buy drapes for the Social Room, and $500 was obtained. The group was honored in May with the presence of Mr. William D. Revelli, director of the U. of M. Band, who came here for a day to rehearse and judge the band. In the evening, a mass band consisting of all the school bands of the city gave a concert under the direction of Mr. Revelli. Such an extensive program would not have been accomplished had it not been for the sincere and grand efforts of Mr. Tammi.

"Music, Maestro, Please"

THE orchestra brings to a close another year of musical contributions to school life and outside programs. This year the orchestra has enjoyed many opportunities to play. One of the most interesting events was the concert given in recognition of National Music Week by the combined orchestras of the junior high schools and senior high school under the direction of Dr. Pedro Paz.

The orchestra was at its best at the junior and senior plays. A small ensemble made up of members of the orchestra played for the Open House at the Willard Library in February. Those in the ensemble were: Mary Jo Cross, pianist; Margaret McDonald, cellist; Ford Bryant, bass; Josephine Sherburne, violinist; and Mr. Paul Tammi, violinist. The student body enjoyed an assembly put on by the orchestra during the last semester, at which Dick Carter, a returned veteran and Margaret McDonald were the student directors.

THE mixed chorus began the first semester under the direction of Miss Barbara Haggard and made appearances at both the Thanksgiving and Christmas assemblies. The second semester started with a newly organized mixed chorus under the direction of the new vocal instructor, Mr. Alfred Richards, and gave a commendable performance in their first public appearance at the Bijou Theater on April 18. This was followed by an assembly program given for the student body.

The final concert was on May 22 with the junior high schools in the All City Festival. The chorus of sixty voices has a good start toward a very successful future.

"Ye Olde Tavern"

THE sultry atmosphere of an old English Tavern by the sea descended upon the annual Fall Frolic which was held on Saturday, November 7, in the social room. Dancing was from 9 to 12 to the music of Les Van's orchestra.

The decorations following the setting of "Ye Olde Tavern" were carried out in a clever representative manner. Lining the walls in swirls of sawdust were tables covered in red and white checked cloths, with candles in the center of each. Banking the south wall was an old time seamans' bar from which cokes were served by a bartender and bar maid.

At the center of each side wall was a fireplace and above it a large painting of a sixteenth century pirate's ship. The chaperones' corner resembled a fishing wharf surrounded in its array of rope fish nets. Approximately 175 couples attended.

"Jingle Bells"

SANTA'S Toy Shop was the setting for the Christmas Formal dance on December 22, according to the foot-high red letters strung up over the entrance doors. The party was given as the dedication and official opening of the Social Room by the Student Council. The room had a 20-foot Christmas tree in one corner, shining with blue lights, silver icicles, and mica snow. Huge red paper candles and branches of evergreen on the deep windowsills were the background for gaily dressed dolls and novelty toys. Peppermint "candy canes" stood between the doors and streamers to match the walls completed the set.

Deep blue floodlights and footlights shone at the stage where Eddie Marshall and his Detroit band were flanked by pairs of snow people.

At intermission, Dawn Elliott, first semester president of the Student Council, presented a bronze plaque to Mr. Harden, dedicating the room to the school.

The walls are colored powder blue with a deeper blue base, and all the woodwork is oyster white. Comfortable davenports and chairs with attendant tables and lamps line the walls and teal blue drapes with white lines weaving through them hung at the windows. The council ordered a neutral colored backdrop and dark wine curtains for the stage. With their arrival, the Social Room decorating will almost be complete.

"A Touch of Spring"

GUESTS glided about a hall patterned after a "formal garden" at the annual girl-date-boy May Party. It took place in the high school social room on Saturday evening, May 29th.

The entrance was enclosed in an arch of lattice work with garden chairs on either side of it. The band stand was accentuated with a bank of imitation grass, and flower beds of rainbow colors, flowers of spring colors also decked the strips of grass extending along the walls between the davenports and chairs. In the center of the floor, crepe paper goldfish "swam" in a shimmering pond surrounded by white-washed rocks, and frogs jumped about on the lily pads.

A grand march led by Virginia Bristol, D. of L. president, and her escort was the special event of the evening. Dancing was from 9-12 o'clock to the music of Les Van and his orchestra.

FIRST ROW: F. Robinson, N. Fraser, Miss Hammersmith, M. Conlin, J. Siemers, M. Arnold, B. Bauer, M. Youngblood.

"Social-Minded"

THE Y Dance Board is composed of students from both Central and Lakeview schools. Every new member of the board, admitted from year to year, presents itself to the board and gives suitable reasons for desiring to become a member. Each is then voted on, their admittance depending upon the outcome of the election.

The board's chief purpose is to schedule and sponsor "Y" dances throughout the school year and on Friday nights during summer vacation. One outstanding dance was the informal St. Patrick s Day Party given Friday, March 15. Approximately 75 couples danced to the music of Kenny Parlin's Lakeview orchestra from eight to eleven o'clock.

Guests entered the dance floor through a shower of shamrock streamers, flanked by two Irish silouetted figures. The St. Patrick's Day theme was carried throughout the hall in the traditional colors of green and white, with a false ceiling of crepe paper streamers.

"Hold That Line"

THE Bearcat football team, possessing few veterans and forced to play with one of the lightest teams in many years, encountered some of the strongest grid outfits in Michigan on their 1945 schedule and had to accept a tie game with Albion as the nearest approach to victory. By losing all four of their conference games, the local boys assumed the cellar spot in the final 5-A league standings.

After opening the season by dropping a 13-0 decision to Marshall, the Bearcats invaded Jackson only to finish on the short end of a 25-0 count. Then came the Albion contest and a 6-6 tie score. On the next three weekends, Battle Creek met 5-A foes, dropping decisions to Lansing Eastern 13-6, to Ann Arbor 24-6, and to Lansing Sexton 20-6. In a non-conference game, Grand Rapids Union edged the Bearcats 7-6.

Coach Gettings' forces faced their hardest task of the season when Muskegon Heights' Tigers, rated tops in the state, came to town to battle the Bearcats. It was on this occasion that the local boys played their finest game of the year, forcing their guests to struggle for a 13-0 triumph. The Bearcats actually outplayed the visitors throughout the final three periods of the contest, but were never able to reach pay dirt. The Tigers scored their two touchdowns in the first period and both resulted from blocked punts. The Muskegon Heights boys were undefeated during the entire season, and were acclaimed the mythical state champions for 1945.

The 42nd renewal of the ancient Kalamazoo-Battle Creek grid fued was enacted this year on Western Michigan's Waldo Stadium and was, as usual, the season's final tilt for both teams. Prior to the contest, the local forces saw a slight chance for victory if they could equal their performance against Muskegon Heights, but a pair of Kazoo speedsters quickly ended the Bearcats' hopes. The Celery City kids tallied in every quarter as they racked up a 27-0 victory.

At the close of the season, a total of 28 boys were awarded varsity BC's and seven others received reserve letters. Three Bearcats were accorded positions on the Enquirer and News All-City football team which was chosen this year for the first time. Captain Bruce Brevitz, an end, tackle George Markham, and guard Bill Allison were the trio to be so honored. At the awards assembly, Mr. Gettings praised the student body for their continued support of the team.

Of the 28 boys who received major grid awards, more than a dozen are sophomores or juniors and can be expected to aid the Bearcat cause another season.

The Bearcats' general starting line-up was: Ends Bob Bradley and Captain Bruce Brevitz, tackles Sid Borden and George Markham, guards Bill Allison and Bill Delano, center Owen Anderson or Hal Smith, quarter-back Chalmer Shull or Don Royal, half-backs Phil Courtright, Bob Green, and Garland Fox, and fullbacks Joe Sajtar, Roger Miller or Dick Phelps. Shull and Anderson received injuries during the season, hence their services were limited.

SECOND ROW: H. Vandeburg, D. Smith, O. Anderson, J. Feeney, B. Darkey.

"They Dood It"

TO the 1945-46 Bearcat basketball team went the honor of winning the third 5-A league championship of the school year and the second conference cage title in the school's history. Led by co-captains Bob Bradley and Ken Roebuck, the local cagers triumphed in six out of eight league games to barely edge Lansing Eastern for the crown. Battle Creek's complete season's record was eleven wins in fifteen starts. Benton Harbor was the only team able to defeat the local boys twice during the year.

The Bearcats opened the season's activities by defeating the alumni five 32-26 and quickly followed with a 40-11 verdict over St. Philip. Then came the first tilt with Benton Harbor and a 52-29 victory for the lake shore lads and once again the outlook for Battle Creek basketball was gloomy. But the Bearcats were not licked yet, and showed true champion form in coming from behind to trim Grand Rapids South 29-28.

Resuming cage activities after the holiday season, the Bearcats again came from behind to edge their old rivals Kalamazoo 30-27. This victory sent the local lads confidently on their way to Ann Arbor for their first 5-A clash—and, also, their first 5-A defeat. The Pioneers pulled one of the biggest upsets of the year by defeating Battle Creek 36-30. This set-back apparently taught the Bearcats a lesson, however, for they went ahead to defeat Jackson 40-29 and Lansing Sexton 32-21 in their next two contests.

Next came a 23-21 victory over Lansing Eastern, the defeat dropping the league leading Quakers into a first place tie with Battle Creek. The Bearcats went on to capture their next three games also, trimming Kalamazoo 41-29 in a non-conference battle, routing Ann Arbor 35-7, and defeating Jackson 37-35.

Lansing Eastern and Battle Creek remained tied for the league lead until, unexpectedly, Lansing Sexton upset Eastern to give the Bearcats the league lead. But the Big Reds proved just as hostile to the Bearcats as they turned back the local lads 34-25. This left the league title at stake in the final game of the season between Battle Creek and Eastern. The championship game was a thriller from start to finish, but the Bearcats came from behind to edge the Quakers 32-28 and became the second cage squad in Battle Creek history to gain the 5-A crown.

The story of the Bearcats' participation in the regional tournament at Kalamazoo is brief. Coach Graham's lads met Benton Harbor, rated No. 1 before the tourney, in their first game and took a 37-16 trouncing.

Battle Creek placed three men—center Bob Bradley, forward Ray Reichert, and guard Ken Roebuck—on the All-City basketball team, but only Reichert was named to the 5-A All-Conference team. Ray was chosen unanimously by the league coaches and was made honorary captain of the squad. However, Bob Bradley, who lead the league in individual scoring, was placed on the second team.

Battle Creek's first team throughout most of the season consisted of Ray Reichert and Chalmer Shull as the forwards, co-captain Bob Bradley at center, and Gary Waldron and co-captain Ken Roebuck at the guard posts. Until a knee injury forced him to the side-lines, Jack Van Dongen teamed with Roebuck at the defensive positions. Guard Owen Anderson and forward Dick Smith also saw considerable action and Anderson was named captain of next year's squad.

"Batter Up!"

WITH the 5-A league championship as their goal, the 1946 Bearcat baseball team launched their season with a total of five 1945 letter winners on hand. In their opening tilt, the Bearcat diamond boys met St. Philip on Postum Field and turned back the parochial boys 4-0 in a battle of southpaws.

Garland Fox was the victor in the struggle which saw Central capitalize on the wildness of Pat Marriott, the St. Philip hurler. The Tiger mound ace walked seven, loosed two wild pitches and contributed to a Bearcat rally with an error. Coach Hall's lads made but one error in the contest while the Tigers committed a total of three.

In their opening conference clash, Battle Creek romped to a 9-2 victory over Lansing Sexton's Big Reds. Sexton and the Bearcats were co-champions last year and were rated as co-favorites to gain the crown this year. Battle Creek suffered a pre-season blow when letterman John Middaugh enlisted in the Army. Middaugh was regarded as the leading candidate for the second base spot.

Five veterans—three infielders, a catcher, and a pitcher—headed a large list of boys that reported to Coach Hall at the beginning of the season. Co-captains Jack Van Dongen and Gary Waldron, a first baseman and shortstop, respectively, and Dick Smith, a third baseman, formed the nucleus of the infield with Keith Fergerson taking over the vacant second sack post. A number of candidates tried for outfield posts, but the field gradually narrowed to Ken Roebuck in left, Ray Reichert in center, and Oscar Borgerson or Bob Owen in right. Sophomore Galen Newton and veteran Joe Satjar were fighting for the catching assignments.

The experienced lefty, Garland Fox, topped the list of mound prospects, closely followed by Duane Bone. Both Fox and Bone are juniors and can be expected to contribute another year of fine work to the Bearcat cause also. Bob Johnson, a senior, also appeared headed for a spot on the roster.

The Battle Creek nine was slated for a nine game schedule. A second clash with St. Philip, a home-and-home series with Kalamazoo Central, and a non-conference clash with Jackson were listed in addition to the four 5-A games. Sexton and Eastern were both scheduled to appear on the local diamond, while the Bearcats were to meet Ann Arbor and Jackson away from home.

The weatherman is often the biggest factor in making a baseball schedule. The year's program can be arranged ever so carefully, yet a rainy spring season can compel the teams to completely rearrange their dates. If it continues to rain regularly—as it too often does—then the baseball season becomes a matter of playing a game whenever the weather permits. This requires a large number of last minute arrangements by all concerned. The pre-season weather this season was a decided improvement over past years and all concerned were hoping for a comparatively dry spring—for the benefit of high school baseball.

"Champs As Usual"

IT was all Battle Creek once again this year in 5-A swimming competition as the Bearcat paddlers captured their fifteenth league title in the sixteen year history of the conference. With Bob Mowerson back in the coaching role after a three year lapse, the local tankmen went ahead to triumph in nine out of eleven dual meets and then edge Jackson out for the league crown. Forced to enter the state meet without two regulars who were side-lined with injuries, the Bearcats had to be content with third place behind Saginaw Arthur Hill and Jackson.

Battle Creek opened the tank season by defeating a strong Grand Rapids Y M C A squad 43-41 and promptly followed up with a 46-34 triumph over Ann Arbor. A weak Lansing Sexton team was turned back with ease 69-15 but Saginaw Arthur Hill proved to be the Bearcats' stumbling block. The Hillites registered a 46-38 win in the only dual contest of the year between the two schools.

Coach Mowerson's boys resumed their winning ways promptly and went on to defeat Jackson 45-39, Ann Arbor 54-30, and Lansing Eastern 66-18. The home town lads also captured the Battle Creek Invitational Swim meet even though guest artists provided the best individual performances. A total of six schools entered the meet.

The next week, swimming without the assistance of co-captain Allyn McCormic, the Bearcats suffered their second dual contest trimming by losing to Jackson 46-38. McCormic, Battle Creek's finest distance paddler, graduated at the end of the first semester and promptly entered Michigan State College. Here, he soon earned a berth on the Spartan tank squad.

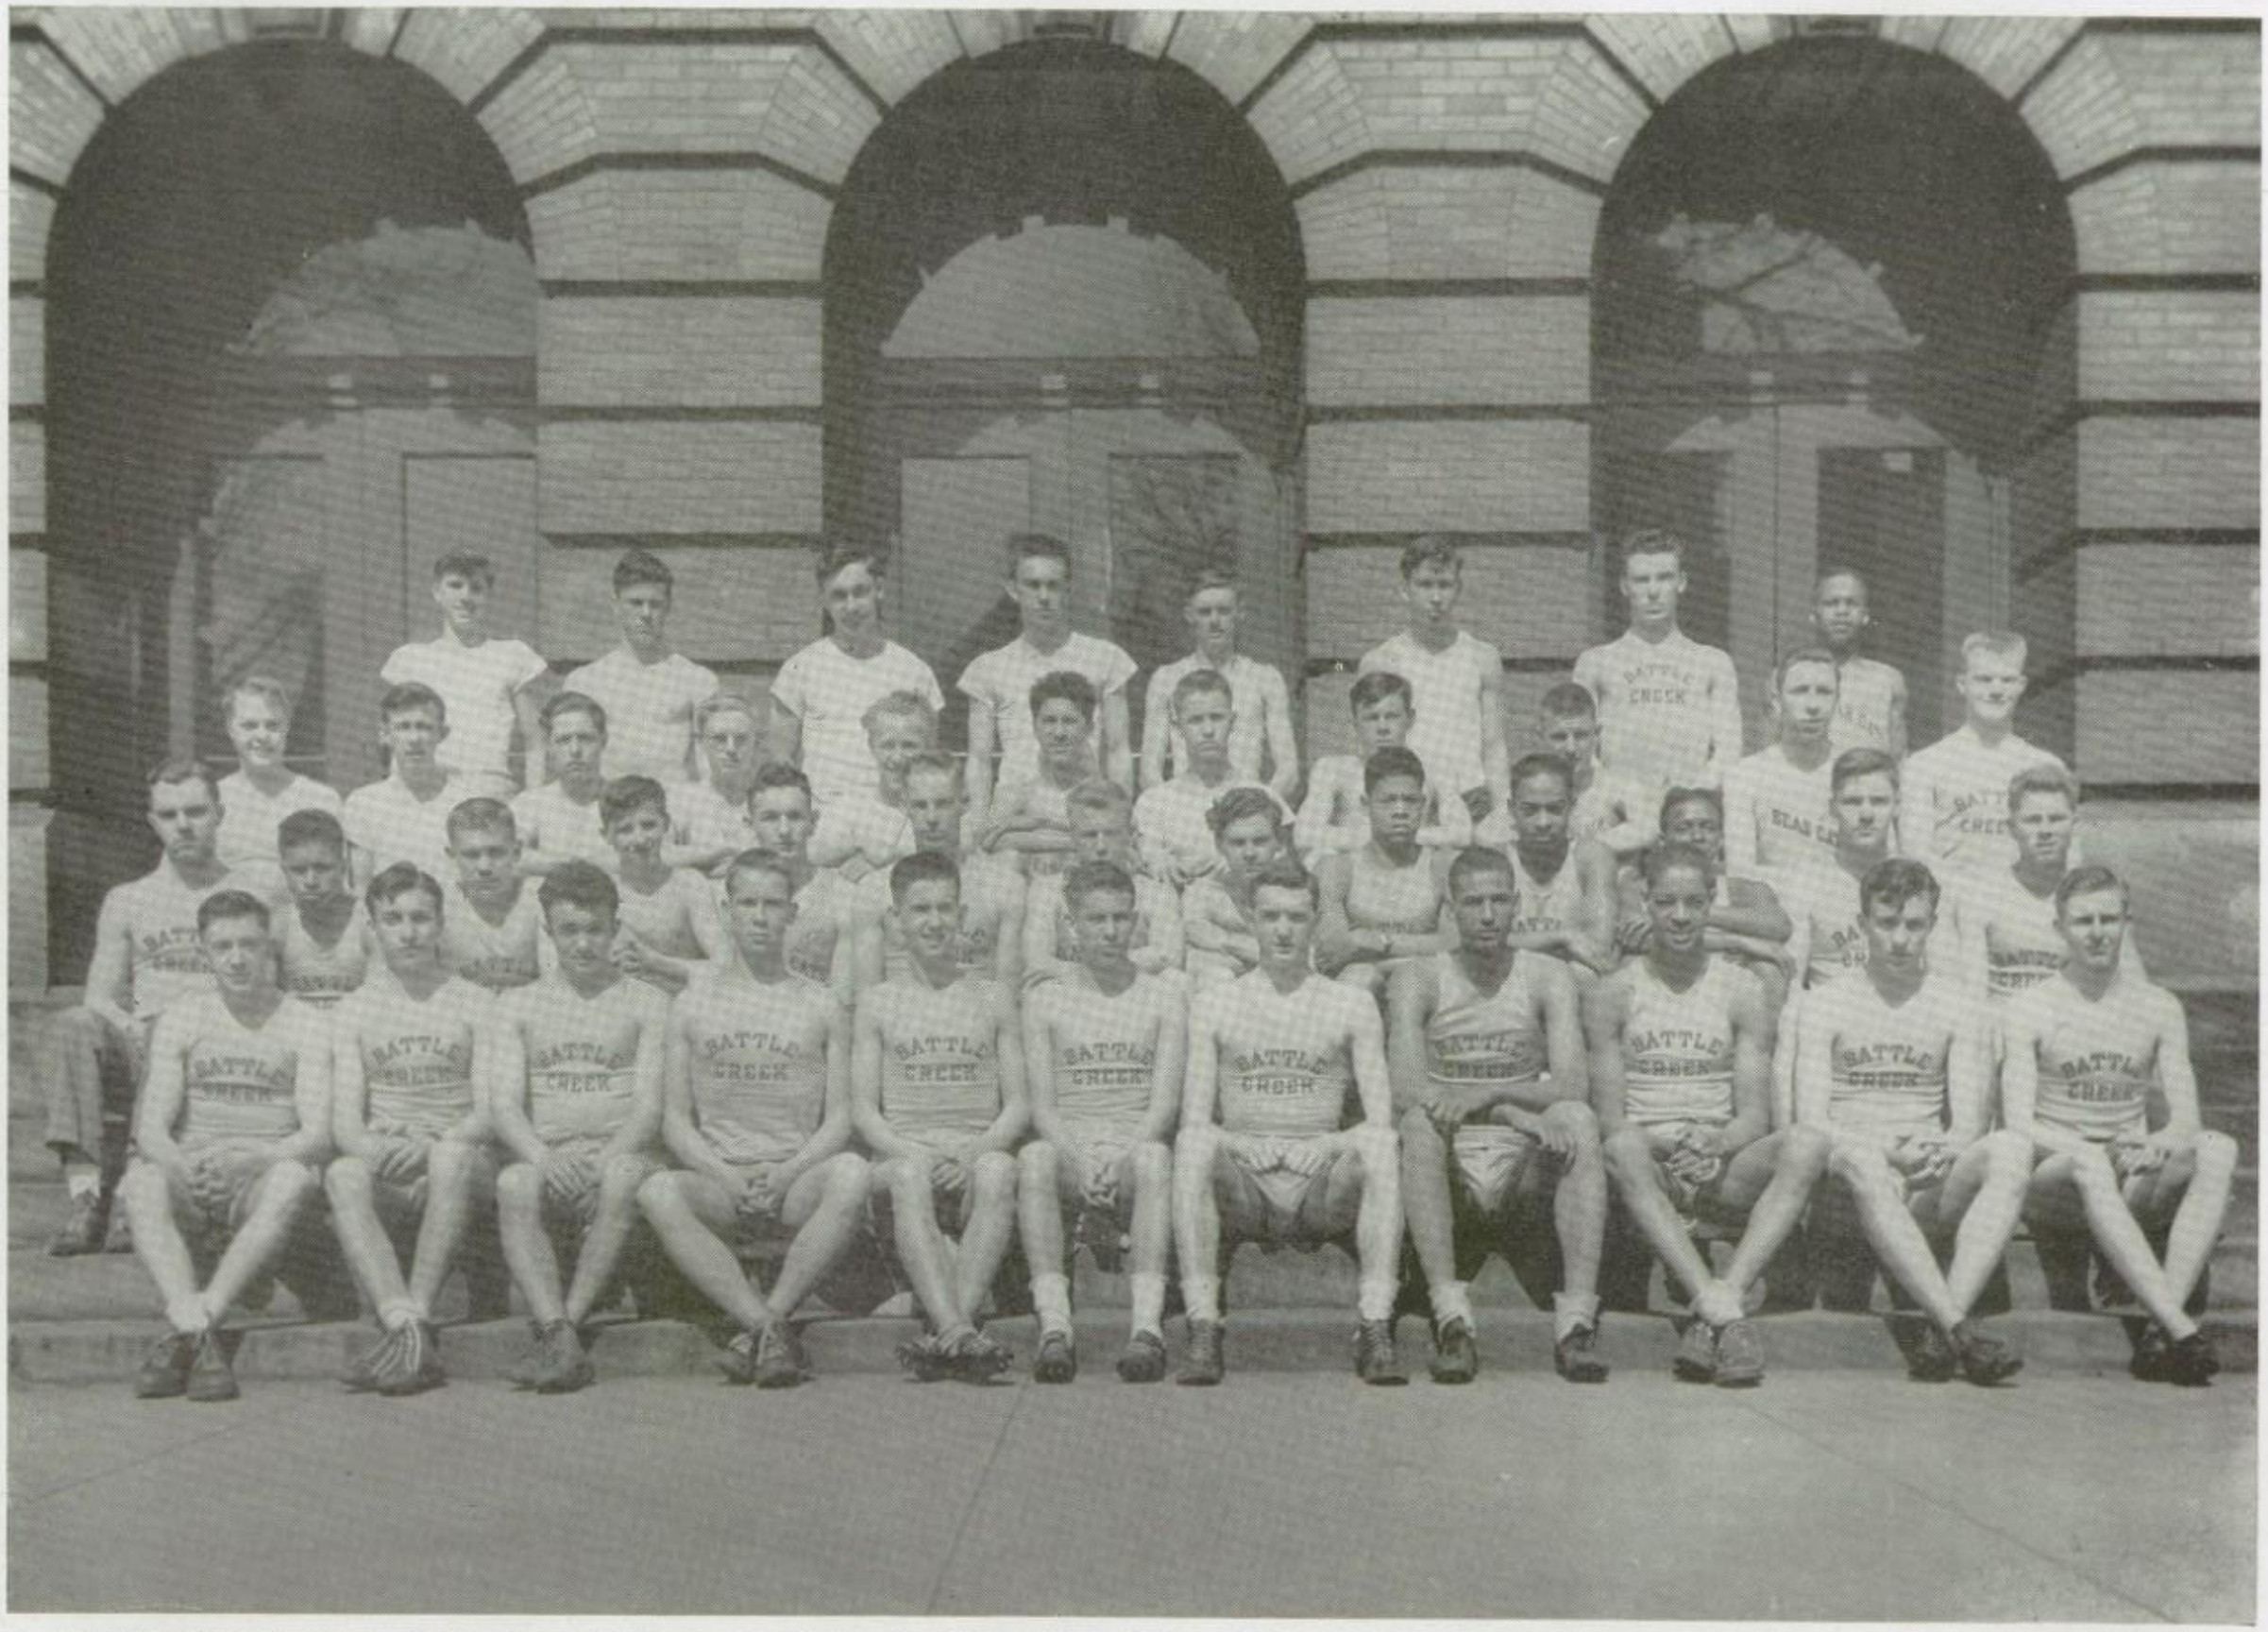
Three more meets remained on the Battle Creek program before the 5-A finals but none of these provided enough competition to actually improve the Bearcats much. Kalamazoo suffered a 66-22 drubbing and Lansing Sexton succumbed 70-13. Lansing Eastern did nearly as bad, dropping a 64-20 count to Coach Mowerson's forces.

The 5-A meet was a two way struggle between Battle Creek and Jackson with the Bearcats' team balance proving to be the deciding factor. The local tankmen captured only one first place, but grabbed all but one second place in addition to three thirds, four fourths, and four fifth places. Battle Creek finished second in both relay events. Co-captain Roger Miller landed an individual title for the third successive year when he triumphed in the 200 yard free style event. The Bearcats scored a total of 67½ points while Jackson gathered 56 for the runner-up spot.

At the state meet, the Bearcats were handicapped by the loss of Dave Morse and Dick Barney who suffered last minute injuries. Even so, Battle Creek finished third with a total of 23 points while Saginaw Arthur Hill was running away with 41 markers.

Bearcats scoring points in the state finals were: Eldon Hansen, second in the 100 yard breast stroke; Roger Miller, third in the 200 yard free style; Don Royal, second and Tom Goretzka fifth in the individual medley; and Fred Shouldice, third in the 100 yard backstroke. The Medley relay team of Shouldice, Hansen, and Ralph Edwards finished second.

At the close of the season a total of 21 boys received varsity swimming letters. Halfred Smith and Bradley Keagle were chosen as co-captains for next year.



FIRST ROW: G. Howe, F. Alephares, C. Royer, B. Allison, P. O'Connell, B. Jeffrey, C. Bragg, B. Bradley, B. Ayres, J. Edgerton, L. Heydon.

"Running Their Way to Fame"

BATTLE CREEK High's track team, defending 5-A champions, entered the 1946 campaign determined to capture their fourth straight league title. Even before the season began, the Bearcats showed considerable potential strength, but their opening efforts at the River Rouge Invitational Meet were somewhat discouraging. The local cinder boys landed only 12.6 points to finish far down the list at the huge indoor meet, held this year, as usual, at the University of Michigan's Yost Fieldhouse. Bob Bradley was the only outstanding Bearcat as he triumphed in his speciality, the high jump.

The Bearcats regained their winning form in their first dual meets, however, as they swamped Hastings, 73-31, and Kalamazoo, 79-25. In the Hastings meet, the Bearcats allowed the opposition but two first places, as they rolled to an easy triumph. Against Kalamazoo, Battle Creek captured all individual firsts and missed winning the 880 yard relay by inches. In a triangular contest, the Bearcats swamped Lansing Sexton and Eastern, the local boys gathering a total of 75⅚ points.

Coach Bob Mowerson's lads showed greatest strength in the high jump where Bob Bradley excells. The 6' 4" Bearcat was the state co-champion in this event last year and seemed headed for the crown again this year. Owen Anderson, Bob Ayres, and Harry Coss offered plenty of support in the event also.

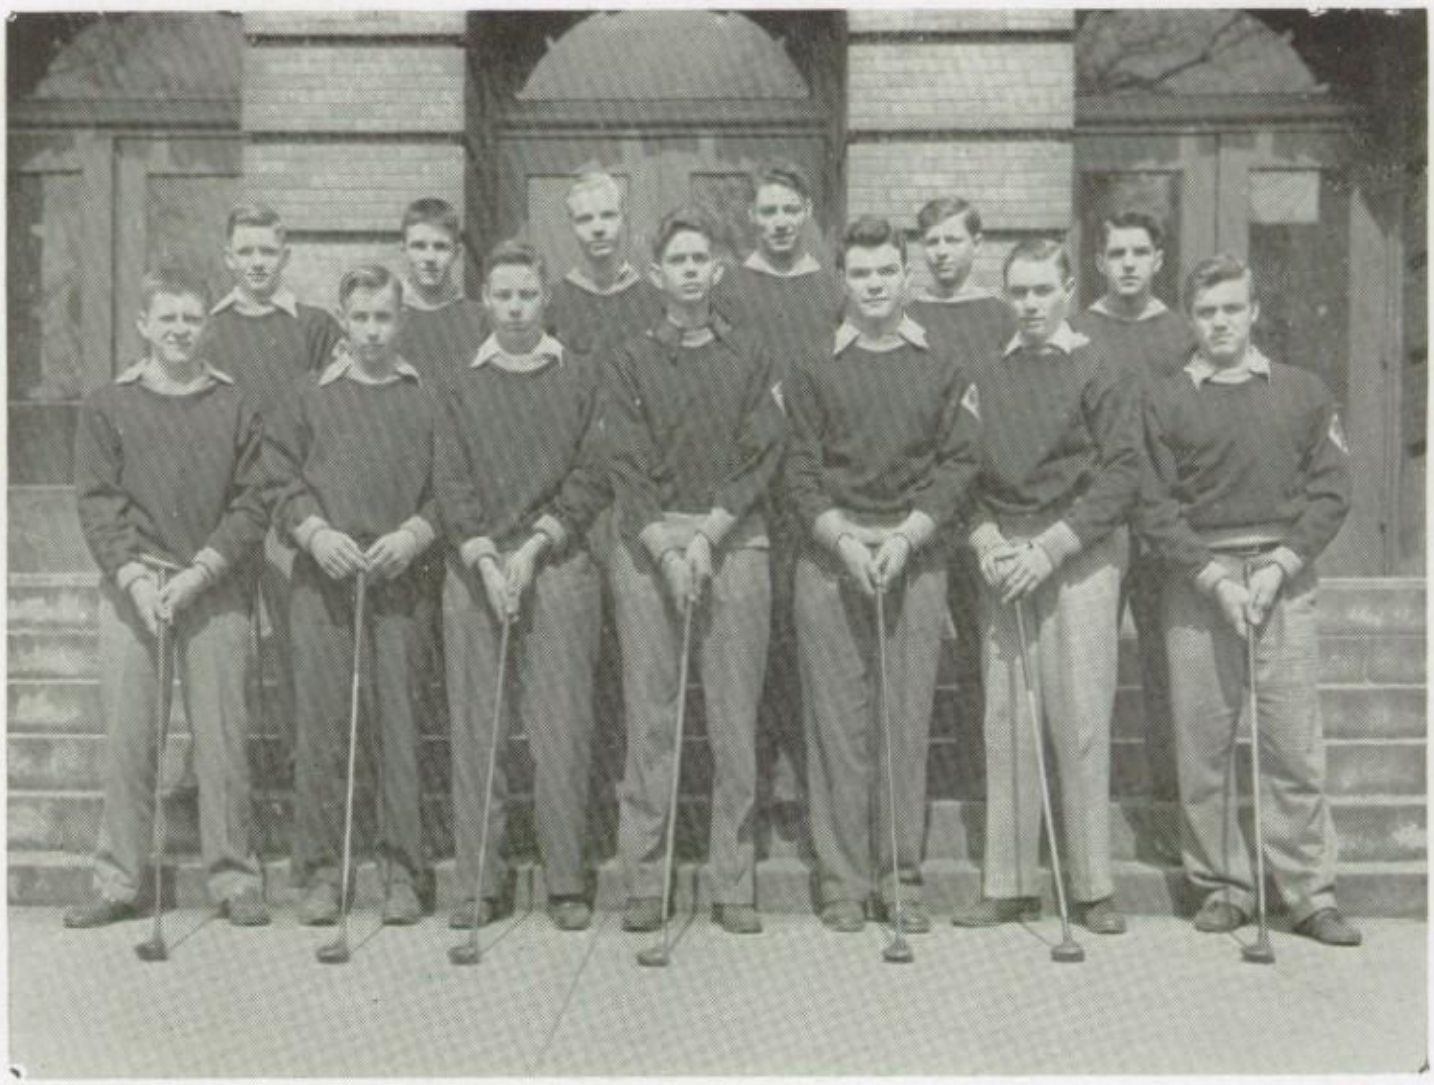
In the 440 yard dash field, John Edgerton jumped off to a flying start by tying the school record in this event at the Kazoo meet. Edgerton was clocked at 53 seconds flat as he equaled the mark set by Lindy Davis at last year's state finals. There was a strong possibility that there would be another new 440 mark before the year ended.

The Bearcats' sophomore sensation, Tom Goretzka, appeared headed for glory in the mile run. At the Hastings meet, he was clocked at 4:46.5 and the school record in this event began to be imperiled. Nearly everyone agreed that even though Goretzka might not be able to set a new mark this season, another season would surely see the existing record fall. Battle Creek also had two other milers—Linus Heydon and Bob Darkey—bettering five minutes.

To succeed Mason Kelley, the Bearcats' '45 speedster, Coach Mowerson was relying upon sophomore Mendell Vaughn. Vaughn captured the 100 and 220 yard dashes in both the Hastings and Kazoo meets and landed a place in the 60 yard dash finals at River Rouge. Vaughn also ran one leg on the sprint relay team which was clocked at 1:36.1 against Hastings. Observers looked for more improvement in this event before state meet time.

Both co-captains—Pat O'Connell and Bill Jeffrey—were lined up for half-mile assignments as the season began to get under way. It was a last minute shift that sent O'Connell from the mile to the half and the change paid off almost instantly. Jeffrey also started his track career as a miler, but was converted at the close of his junior year. Three juniors—George Markham, Norm Amos, and Don Older—headed the shot put candidates.

Besides River Rouge and the Hastings, and Kazoo and Lansing meets, the Bearcats were scheduled to meet Jackson in a dual meet, while two more relay carnivals, at Allegan and Albion, rounded out the preliminary work-outs for the squad. The climax was expected to be reached at the 5-A and state meets, held May 18 and 25, respectively.



FIRST ROW: H. Holtom, K. Aldrich, F. Strong, B. Roof, J. Bennett, B. Davis, J. Woods.
SECOND ROW: D. Bristol, D. Peters, W. Carlson, G. Bigley, B. Hammons, D. Barney.

"Bearcat Divot Diggers"

IT was an inexperienced golf team that was to represent Battle Creek in 5-A competition this season. Two sophomores and two juniors formed the squad that faced Lansing Sexton in the Bearcats' opening match as the local fellows suffered a 367-431 set-back. Dick Bristol was low man for Battle Creek when he carded a 96. At the time this article is written, the golfers have but four weeks in which to prepare themselves for the 5-A league finals and their chances for success there appear slim.

In addition to the conference finals, the Bearcats were to appear in a total of six dual contests including the opener with Sexton. One match with each of the 5-A schools plus a home-and-home series with Kalamazoo were listed on the regular schedule. Practice matches with St. Philip and Lakeview appeared likely also.

Leading candidates for the four positions on the squad included Dick Bristol, Tom Harter, Keith Aldrich, Jack Woods, Dick Barney, Bradley Roof, Jim Bennett, Don Bigley, Bill Davis, and Bill Hammonds. Of this group, only three are seniors, hence the others will probably be on hand next year.

FIRST ROW: P. VastBinder, T. Lyko, B. Brevitz, G. Dolbee, C. Shull, R. Miller, J. Oesch, C. Boston, R. Vestor.

SECOND ROW: B. Reitz, A. Lawson, R. Brandli, C. Embury, E. Manuel, L. Coller, J. Holmes, G. Singer, J. Robinson.

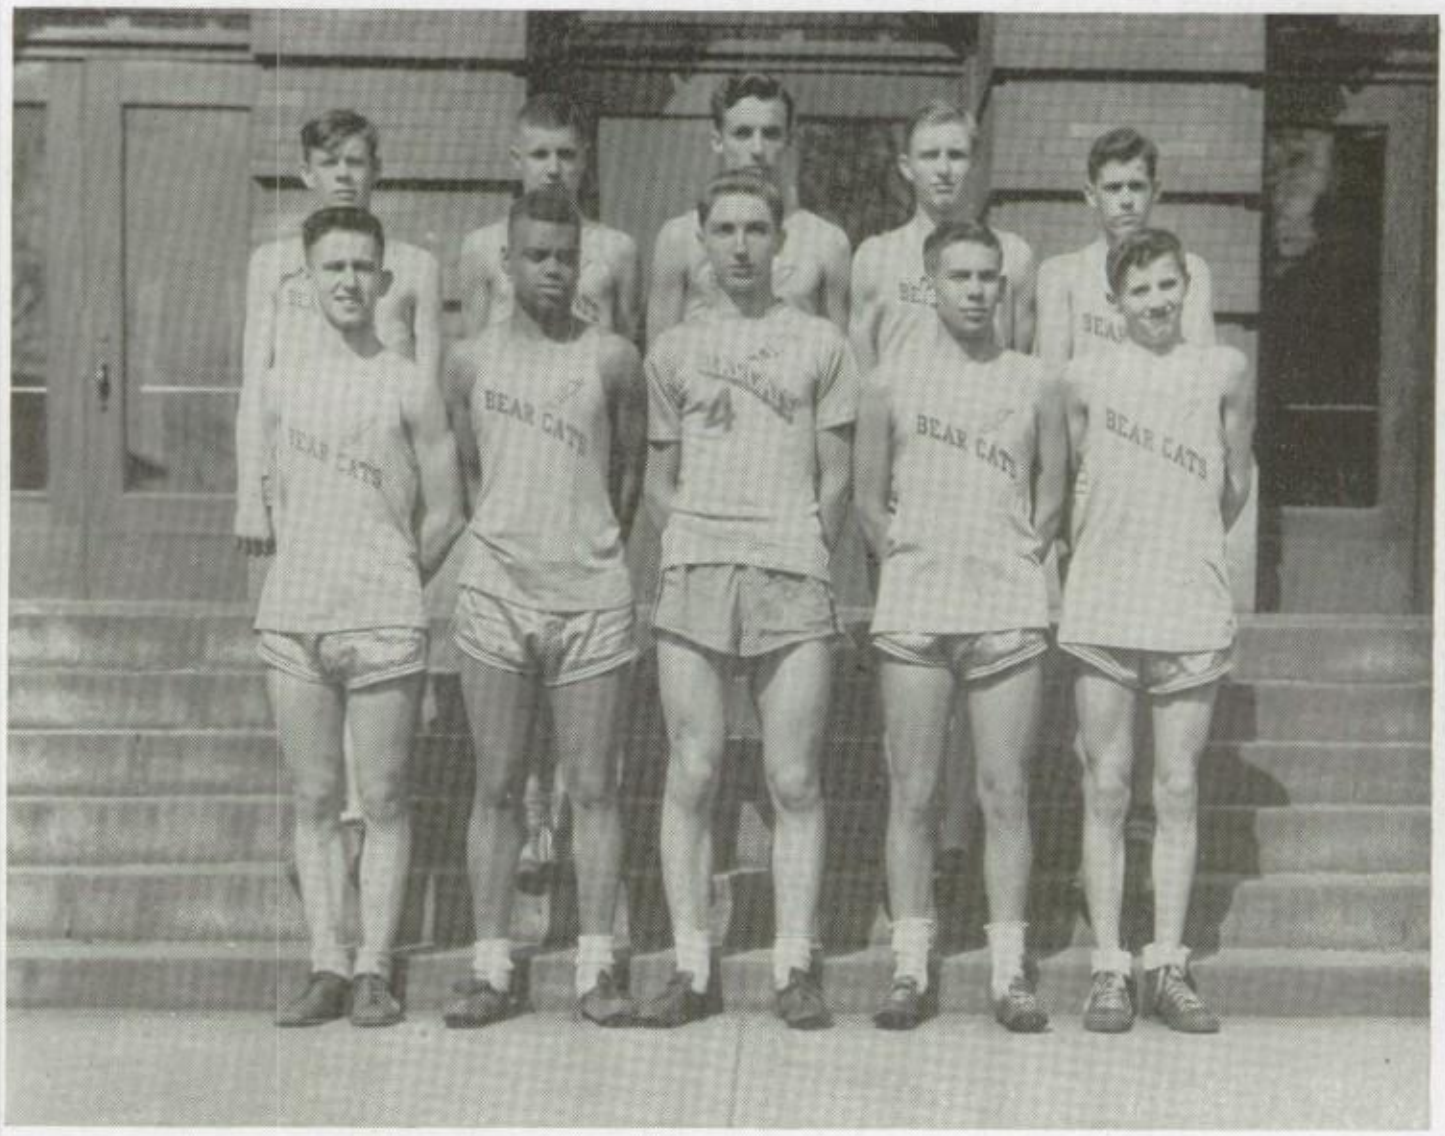
"Speaking of Love"

PRE-SEASON speculation that Battle Creek would retain its 5-A tennis title ran high this year as five varsity letterwinners greeted Coach Gerry Graham this year. With Bruce Brevitz, Gordon Dolbee, Captain Chalmer Shull, Roger Miller, and Ted Lyko returned from last year's regular team, the netmen appeared to be the logical choice for 5-A champs once again. All but John Kellogg, who graduated, and Phil Courtright, who joined the Army, were returned from the 1945 squad which swept its four match conference schedule to once again claim the title.

In their opening match against Kalamazoo State High, the netmen were able to gain but one individual victory as they went crashing to a 6-1 defeat. Bruce Brevitz turned the trick when he captured the No. 2 singles contest, but all his team mates succumbed to their State High foes. In their initial 5-A battle, however, the Bearcats turned back Lansing Sexton 4-3 to provide a good start in their drive for the league crown. For 1946, the netmen were to face a schedule consisting of eight dual matches plus the regional and state tourneys. The Bearcats were slated to meet State High once again in a return engagement and had scheduled two meetings with Kazoo Central. The netmen also met each 5-A school in dual matches.

In their early matches this year, the Bearcats lined up as follows: Singles: (1) Bruce Brevitz, (2) Gordon Dolbee, (3) Chalmer Shull, (4) Roger Miller, and (5) Ted Lyko. Doubles: (1) Chuck Boston and Cecil Embury, and (2) Phil Vast-Binder and Jim Setterberg.



FIRST ROW: P. O'Connell, A. Rhan, R. Smith, B. Jeffrey, B. Darkey.
SECOND ROW: R. Coss, T. Goretzka, J. Edgerton, B. Heydon, P. Grindol.

"Two Miles—Whew!"

THE year 1945 saw Battle Creek advance to the top in another sport as the Bearcat Cross Country Team ran off with the first 5-A conference hill and dale title in the school's history. Team balance was the key to the Bearcats' power which resulted in Battle Creek victories in two out of four dual contests as well as one triangular meet triumph. To climax the season, the local harriers captured the conference crown and grabbed the runner-up spot in the state finals.

The Bearcats started the season by defeating Hastings, 17-38, but then dropped successive decisions to Charlotte, 26-29, and to Kalamazoo, 27-28. However, the local forces promptly resumed their winning ways by capturing a triangular contest against Lansing Sexton and Eastern in a very convincing manner. Then, in their last dual meet of the year, Coach Bob Mowerson's boys turned back Charlotte 25-30.

The 5-A conference meet was held over Jackson's course and turned out to be a two team battle between Battle Creek and Jackson. The Bearcats' winning point total was 41, while the Vikings finished second with a 43 total. Saginaw Arthur Hill was just too much to handle at the state meet, and the Bearcats were forced into the runner-up position. Arthur Hill totaled 85 points in winning the championship while the Bearcats gathered 104 points. A total of 96 boys from 14 schools took part in the two-mile run.

Nine harriers were presented with major awards at the conclusion of the season, while four others received reserve letters. John Edgerton, Tom Goretzka, Paul Grindol, Linus Heydon, Bill Jeffrey, Pat O'Connell, Art Rhan, Captain Russell Smith, and Captain-elect Bob Darkey received the varsity BC's.

Ray Reichert, Bob Bradley, Bruce Brevitz.

"The Big Shots"

THE Board of Control of the Boys' Athletic Association is the body that regulates all interscholastic athletics. Under the leadership of Mr. Baker, the faculty sports adviser, the four boys chosen to the board help to regulate the B. A. A. This year, the boys of the school elected Bruce Brevitz as the president with Ray Reichert serving as vice-president. Bob Bradley and Roger Miller were the other members of the board. Unfortunately, Miller was ill at the time this picture was taken.

FIRST ROW: B. Beem, J. Setterberg, A. Ross.
SECOND ROW: M. Leveiller, D. Walace.

THIS year's cheerleading squad was chosen during one of the assemblies held last fall. The squad was an entirely different group than during the previous years. They proved themselves worthy of their positions by doing a superb job of cheerleading at all the athletic events.

"Sink It!"

ALTHOUGH the girls' basketball team did not win a 5-A title, they did win two hard fought games from Lakeview. This is the first time in recent years that the clubs of the two schools have played each other. The basketball team was divided into four teams, captained by Jean Wellever, Jean Clark, Jean Lett, and Jean Bennett. These teams played intramural games with Jean Bennett's team coming out on top. A dinner was given at Farrin's, free of charge to the winning team. Also at this dinner, awards were presented to any girl elgible.

"Kill the Ump!"

HAVING practice on Wednesday afternoons following school, the girls' softball club had some fine games. For the first few practices no regular captains were chosen, but later the club elected Pat Hess and Shirley Yates. Miss Claribel Husted, coach, prepared the girls for the play-day with Lakeview at which two softball games were played.

Any girl at all interested in baseball was welcome to attend practice and receive instruction from the adviser.

"Side Out!"

THE girls in the volleyball club had a swell year. More interest was shown in the sport this season than in the past. A vacation here and there, however, limited the times that the club got together for practice. Southwestern, Southeastern and W. K. Kellogg junior high schools were invited to our school for games on one of the regular afternoons for practice. Our teams came through with three victories, but had quite a time winning them from future students of B. C. H. S., whose ability promises good teams in the future. After the games refreshments were served.

THIRD ROW: V. Nicola, P. Richards, M. Geleff.

"Your Serve"

A ping pong tournament is held every year with all girls interested in the sport participating. Each gym class has an individual tournament to determine the class winner. These winners go on to play other class winners.

As Battle Creek is quite a "ping pong" minded city, these tournaments usually produce some pretty good players. Even some city champions are present on the list of class winners including Mary Conlin and Mildred Baker. Some of the other class winners this year were Jean Bennett, Barbara Hunt and Louise Levitt.

FIRST ROW: B. Patton, B. Hunt, J. Bennett, M. Conlin.
SECOND ROW: L. Levitt, J. Wright. J. Wellever.

"Batting the Breeze"

IF anyone happened to wander into the girl's gym on Tuesday afternoons, he or she might hear the phrase, "My backhand is terrible," or might be knocked down by a ball hit by a member of the girls' tennis club. Mr. Pelto took over the club this year and proved to be a grand help in developing good tennis techniques. As courts are hard to obtain in the spring of the year, most of the practicing was done in the gym. The moulding on the walls at each end of the gym was removed and these served as backboards for practice.

FIRST ROW: L. Gootas, H. Earl, E. Wilson, J. Bennett, M. Arnold, J. Thomas.
SECOND ROW: B. Patton, S. Yates, H. Addison, G. Davis, J. Gilbert.

G. A. A. ORGANIZATIONS

"You're All Wet!"

THE swimming club had a fall and spring session. The girls spent the first few weeks in the fall getting acquainted with each other and the new adviser, Mrs. Stine.

Mrs. Stine proved to be a wonderful instructor and companion and taught the fundamentals of swimming to those who could not swim. She also corrected the bad habits of those who knew how to swim.

Many girls took up Red Cross Life Saving and worked toward their certificates.

FIRST ROW: L. Erk, R. Rurdy, J. Dove, B. Grodavent, J. Fack, B. Foreman.
SECOND ROW: G. Peaslee, G. Casterline, L. Dillman, J. Bundy, A. Buncich, J. Spears.
THIRD ROW: J. Cox, P. Richards, Mrs. Stine, G. Davis, J. Markovich, E. Allen.

"Darn—Another Gutter Ball!"

THE bowling club met every Thursday afternoon at the Michigan Recreation Alleys throughout the first semester. The girls chalked up some fine scores and showed much improvement in their game. Meetings were discontinued the second semester.

A summer doubles league is being planned, and if carried through will be a swell form of recreation for the summer months.

FIRST ROW: J. Cox, V. Hiatt, E. Adair, M. Thiel, J. Hutchens, B. Patton.
SECOND ROW: S. Yates, C. Otis, N. Fraser, K. Ward, L. Gootas.
THIRD ROW: P. Richards, J. Clark, R. Purdy.

"Oh, My Achin' Back (?)"

ON Tuesday evenings if you were anywhere near Hawk's you would notice from ten to twenty-five girls from B. C. H. S. The girls usually rode from four until six o'clock. The number present depended on the weather and, of course, the financial situation. At first there were quite a few girls who didn't know how to ride, but through the instruction and practice they received, they are now good riders. Miss Martin rode with the girls everytime, and proved to be an inspiration to them. The girls received some excellent advice from her. Miss Seedorf also accompanied the group.

FIRST ROW: Miss Martin, "Ginger", J. Cox, C. Moore, R. Purdy, "Silver", J. Markovich.

"I Make a Motion"

THE Girls' Athletic Association experienced a very active year. Unlike other years, more interest was present in all the activities offered by the club.

The sponsors, Miss Husted, Miss Martin, and Mrs. Stine have truly made this a wonderful year, one which will be remembered always.

By means of a change in the constitution last year, the number of points for a major sport was increased to 75 points, while the number of points for a minor sport remained at 25 points. Before receiving these points, a member must attend two-thirds of all practices in a given sport.

Three awards are given to girls with the required number of points. The first is the numeral of the graduating year requiring 300 points. Second is the letter, a monogram "B C." requiring 600 points. The last and highest award is the "G. A. A." pin, requiring 900 points. These awards are generally presented at a dinner or some other social meeting.
